I have read and understand the University policies and procedures as stated in the following documents:

Additionally, I have read and understand the University policies and procedures specific to the COVID-19 Pandemic in the following documents:

I have read and had each of the above explained to me. All questions I may have had have been answered to my satisfaction. I agree to abide by the policies and conditions contained in these documents. In addition, I further understand that failure to follow any of the policies established by the UF Diving Science and Safety Program or the UF Diving Safety Board may lead to my suspension from diving activities or revocation of permission to dive under UF auspices.

I **UNDERSTAND AND AGREE** that diving during the COVID-19 Pandemic may have additional risks such as limited and/or no access to emergency medical services and limited and/or no coverage by various programs of insurance such as worker's compensation.
